LEGION OF MERIT to

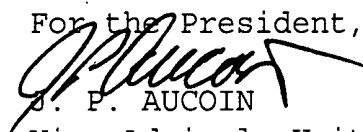

CAPTAIN BRETT E. CROZIER
UNITED STATES NAVY

for service as set forth in the following

CITATION:

For exceptionally meritorious conduct in the performance of outstanding service as Executive Officer of USS RONALD REAGAN (CVN 76) from April 2014 to July 2016. Displaying steadfast leadership and rare initiative, Captain Crozier led 3,200 Sailors to unmatched operational readiness through an unprecedented three-carrier hull swap and homeport shift to Japan, while maintaining morale at a level that allowed RONALD REAGAN to earn seven consecutive annual Retention Excellence Awards. Under his superior guidance, RONALD REAGAN completed the 2014 Planned Incremental Availability early, lauded as the most accomplished carrier Planned Incremental Availability in over eight years. USS RONALD REAGAN's superior material condition enabled the safe navigation of over 42,000 miles during his tenure, as well execution of more than 14,000 launches and recoveries, and a highly successful 2015 Indo-Asia-Pacific deployment with Carrier Air Wing FIVE. His leadership during the three-carrier hull swap encompassed over 9,000 Sailors across three homeports and ensured that no operational capability was lost. He set the course for future carriers to follow, overseeing the Navy's first eight-month Consolidated Afloat Network and Enterprise Services installation, and planning and execution of a first-ever C4I System Operability Test aboard RONALD REAGAN. Following transition to SEVENTH Fleet, his crew performed flawlessly as the centerpiece of Battle Force, SEVENTH Fleet. Through his extraordinary leadership, he established and attained the highest operational readiness standards, ensuring USS RONALD REAGAN's warfighting capability for future generations. By his dynamic direction, keen judgement, and loyal devotion to duty, Captain Crozier reflected great credit upon himself and upheld the highest traditions of the United States Naval Service.
